A close-up, high-contrast photograph of a chocolate cake. The cake is topped with fresh raspberries and blackberries, and is drizzled with thick, dark chocolate. A large, dynamic splash of chocolate is captured mid-air behind the cake, with small pieces of chocolate and fruit scattered around. The background is solid black, making the rich colors of the cake and the white text stand out. The text "THANK YOU" is centered over the cake in a white, italicized, sans-serif font.

THANK YOU
